NOTICE OF HOUSING COMMITTEE MEETING

The Department of State Hospitals is required to convene a committee of specified county participants to consult in the process of locating and securing housing within the county for individuals committed pursuant to the sexually violent predator law who are approved by the Court to be conditionally released pursuant to Welfare and Institutions Code section 6608.5. These individuals have been found by the Court to no longer be a danger to the health and safety of others in that it is not likely that the person will engage in sexually violent criminal behavior due to the person's diagnosed mental disorder under supervision and treatment in the community. As such, the Court has already approved placement of an individual in the Department of State Hospitals' conditional release program (CONREP).

The sole purpose of this noticed Housing Committee Meeting is to consult on CONREP placement within the County as described above.

Once a CONREP placement location is recommended or proposed, the Department of State Hospitals will provide notice to the listed parties in Welfare and Institutions Code section 6609.1, at least thirty (30) days prior to the date the Court has designated to consider the recommended or proposed placement

location. No placement in CONREP will occur until the Court orders such placement.

The Department of State Hospitals contracts with Liberty Healthcare to provide CONREP services to individuals in the program including but not limited to locating and assessing prospective placement, and providing 24hrs per day, 365 days per year, monitoring, supervision, treatment, and other supportive services. For more information about the CONREP, please refer to the Department of State Hospitals website [here](#).
